***BOLT EXPRESS Continues Expansion of Mexico Operations***

**Toledo, OH** – Bolt Express, one of the fastest growing companies in the transportation industry continues to expand their Mexico operations.

Jose Salinas has joined Bolt Express as the General Manager of Bolt Mexico. Jose brings over 20 years of experience in business development and cross border operations. In addition, Bolt Express has opened a larger facility and expanded their Laredo operating team in response to an increase in demand for cross border services.

Chuck King, President of Logistics states, “Our success has been attributed to the strong partnerships we maintain in Mexico and our overall commitment to providing a reliable service with door to door visibility for our customers. These changes have allowed us to increase our operating capacity and maintain a high level of service”.

Bolt Express is an integrated transportation solutions provider that offers their customers safe and reliable truckload, LTL, expedite and air freight forwarding services. For more information, please visit the company website [www.bolt-express.com](http://www.bolt-express.com).
